

Turkey Drive 2025

Play For Purpose • Community Impact Flyer

What This Fundraiser Is

Our Turkey Drive exists for one purpose: **to provide Thanksgiving turkeys to local families in need.** Every donation goes directly toward purchasing and distributing turkeys in our community.

Our 2024 Impact

Thanks to the generous support of local businesses and residents, **we provided turkeys for about 40 families** last year. We also partnered with several **local charities** that distributed turkeys to others in need, ensuring more families enjoyed a warm Thanksgiving meal.

How It Works This Year

Last year, we asked families to register for a turkey so we could plan ahead. While this helped us prepare, some families were unable to attend pickup, and others reached out afterward hoping for leftovers.

This year, **no registration is required.** We'll announce a specific **date, time, and public location** for distribution. Anyone in need may stop by and receive a turkey. No sign-up necessary.

We'll do our best to limit distribution to **one turkey per family** and will continue handing them out until all available turkeys have been given away. Our goal is a process that's simple, fair, and welcoming to everyone.

Thank You to Our 2024 Supporters

What Happens with Any Extra Funds?

Our primary mission remains focused on **providing turkeys for local families**. If there are excess proceeds, every remaining dollar will support our next initiative, **Christmas On Us 2025**.

We collaborate with **school administrators and church leaders** to identify a family who may be struggling to provide gifts. Together with the caregivers, we ensure that every family member receives **meaningful and thoughtful gifts** for Christmas.
